

Tuesday Mailout 11 August 2020

Hello everyone

Welcome to August - the last month of winter!

### **Housekeeping**

- We'd like to remind you to keep your contact details up to date. These details can be changed through your parent portal or by emailing admin. We have been posting activity packs and some have been returned to our PO box.
- The Bloch VIP weekend due to be held Aug 20-23 has been cancelled and Bloch stores have closed. You can still place online orders.

### **Term 3 classes online**

- From recent student Feedback, our new themed lessons are hitting the spot. Please be aware that we may email you from time to time suggesting a few items that may be needed by your child for the next lesson. These will be things like scissors, glue or some paper. We'll try and give you as much notice as we can.
- Please take a look at the attached photo montage from last year that Isabella Polazzon has created for our wall at Peel Street. Our 2020 poster will have a very different look to past years! We'd love you to start taking some photos of your child dancing at home for the 2020 poster, please send them via email to admin.
- Look out for details about our Costume Design Competition coming soon! We will focus on the costumes of Sleeping Beauty or the musical your class is studying over the coming weeks.

We know times are tough, life is strange and things are very different to how we would like them to be. However, what will get us through is realising that we're all in this together. We can keep our physical and mental health up if we concentrate on the relationships we've built and the ones we continue to build. Being part of the Kew School of Dance family is vital to our health and well-being as we work together to keep our students dancing, our teachers working and all of us feeling valued, appreciated and connected to one another.

Tips for getting through this
