

Tuesday Mailout 17 November 2020

Concert - December 13

We have finalised the venue - the concert will be held at 12A Peel Street, the former home of the Martial Arts studio next to us. The run-through, the dress rehearsal and the performance will take place there.

Thank you to those of you who completed the concert forms, we are currently following up those who did not complete the form and once we have done this we will release the rehearsal schedule. Hopefully by the end of the week in an email to those who are participating in the concert. Please remember that once you have said Yes and your student has committed to the performance, we need you to follow through with that commitment.

2021 Timetable

We are hoping to release details of next year's timetable early next month.

Holiday Programme

We are planning to offer some holiday classes if there is a demand. Please email us with your suggestions about dates and dance styles as soon as possible.

KSOD Warm-Up Equipment

Several students borrowed warm up equipment, mats and tap boards. Please bring them back so we can wash them and use them in classes as soon as we are allowed to share equipment.

Energetiks Discount Weekend for KSOD students - 9th – 21st of November

The opening hours for these days will be 10am-5pm Thursday & Friday, and 9am-5pm Saturday. Please note that the 20% discount will apply to Energetiks products only.

Please also find below information pertaining to COVID-safe Energetiks in-store practices. These are designed to keep everyone safe.

- We strongly encourage any students wishing to redeem their 20% offer to call ahead to book in a day and time for their visit. We currently have a maximum store capacity set, so this will hopefully minimise the likelihood of needing to wait to enter the store. The phone number is (03) 9497 2933 for any bookings.
- Minimisation of hand contact on garments when browsing is encouraged where possible.
- Masks are a condition of entry for all people (with the exception of anyone falling into the exemption categories, as determined by the Victorian health advice). Social distancing is also being practiced in-store.
- Try-on socks will be available to purchase at 30% off for anyone requiring a fitting.
- Contactless services (i.e. purchases made over the phone and passed to the customer through the door to minimise contact) will also be eligible for the 20% discount if they are able to produce proof of enrolment at the time of collection.
- Please note that these measures are being implemented in conjunction with a COVID-safe plan, and thorough cleaning practices are also in place to ensure the safety of all dancers and their families.

Belinda Lui' & Zoe Reddaway's new book

Rapunzel's Mother is a prequel of Rapunzel's Sister (our Senior concert story last year), and the second book in the Rapunzel's Sister Series.

Pick up a book from Escape Hatch (East Kew), Readings, or from Belinda personally (\$15.00 each), or direct debit.

Belinda thanks you for your support!
